ApplyReady AI — Scholarship Verification Report

Assessment ID: app_1791741800561_f691fa04 · Generated: 11 October 2026 at 11:33 pm

Executive Summary

Eligibility Verdict: ✅ Eligible

ELIGIBLE

Extracted CGPA 8.75 meets the minimum requirement of 8.00.

CGPA Verification:
Your CGPA: 8.75 (Req: 8)

Document Consistency:
Status: match

Uploaded Packet:
resume, marksheet

Opportunity & Target Profile

Category	Scholarship Verification
Opportunity / Role	National Merit Engineering Undergraduate Scholarship
Official URL / Listing	https://scholarships.gov.in/merit-2026

Document Integrity & Structural Analysis

1. Observed Technical Facts	
Document Structure Status	NO FORMATTING ANOMALIES DETECTED
Document Producer / Tool	Not specified by authoring software
Creator Application	Not specified by authoring software
Creation Timestamp	Not specified
Modification Timestamp	Not specified
Page Count	1 page(s)
Distinct Font Families	1 family

2. Technical Structural Checks Performed	
Creation vs Modification Chronology	UNAVAILABLE Chronology check unavailable: timestamps not populated by PDF authoring software.
Post-Export Editor Signatures	PASS Producer: 'Unspecified', Creator: 'Unspecified'.
Embedded Font Variety Check	PASS 1 distinct font families detected across 1 page(s).
Microscopic Text Layer Inspection	PASS 0 fragment(s) below 2pt font size found.
Selectable Text vs Scanned Raster	PASS Document contains native selectable text across 1 page(s).

3. Formatting & ATS Review Signals

✓ No formatting or ATS anomalies detected. Clean technical structure.

Technical Limitations & ATS Context:

- PDF metadata is routinely stripped or modified by legitimate online converters, virtual printers, and export utilities.
- Font count variations are standard in modern CV templates utilizing font icons, section headers, and stylized callouts.
- Integrity findings are automated formatting and ATS compatibility observations; they do not constitute proof of misrepresentation or tampering.

Eligibility Results

CGPA Requirement Verdict	✅ **Eligible**
Reason / Details	Extracted CGPA 8.75 meets the minimum requirement of 8.00.
Your Extracted CGPA	8.75
Required Minimum CGPA	8
Requirement Source	Manually entered requirements
Requirement Evidence	*"Minimum CGPA of 8.0 required. Batch of 2026."*
All Explicit Criteria Checked	
Minimum CGPA	✅ Eligible — Extracted CGPA 8.75 meets the minimum requirement of 8.00.
Graduation Year	✅ Eligible — Graduation year 2026 matches the requirement.
Academic Degree	🔍 Needs Review — No degree requirement was specified. → Action: Confirm whether a specific degree is required.

Extracted Document Fields

CGPA	8.75 (Page 1: "CGPA: 8.75")
SGPA	*Not detected*
Graduation Year	2026 (Page 1: "Graduation Year: 2026")
Admission Year	2022 (Page 1: "Admission Year: 2022")
Academic Year	*Not detected*

Document Consistency

Overall Consistency: match

Field	Status	Verification Detail
Academic Degree	match	Degree verified: resume ('Bachelor of Technology') and marksheet ('B.Tech') represent equivalent academic degrees.
Minimum CGPA	match	CGPA verified: resume and marksheet reflect identical cumulative CGPA (8.75).
Admission Year	match	Values match between resume and marksheet (2022).
Graduation Year	match	Values match between resume and marksheet (2026).
Semester GPA (SGPA)	match	Verified from marksheet (8.9). Marksheet-specific field.
Academic Term	match	Verified from marksheet (2022-2026). Marksheet-specific field.

Document Classification

Predicted Document Type	**resume**
Model Confidence	48%
Classification Method	tfidf_logistic_regression
Review Recommended	⚠️ Yes — Confidence below threshold

Priority Corrective Actions

✓ No critical issues detected. All checked criteria appear consistent.

Assessment Limitations

- This tool extracts fields using rule-based patterns. Values not matching a known label format will not be detected.
- Scanned or image-based PDFs cannot be automatically extracted.
- This report is based only on the documents uploaded at the time of assessment.
- This assessment does not guarantee scholarship selection or internship placement.
- Verify all findings against official opportunity documents before submitting your application.
